SOUTHLAKE, TX, USA, March 29, 2021 /EINPresswire.com/ -- Today, Retina Consultants of America ("RCA"), a comprehensive physician management services organization, welcomes its 10th practice, Carolina Retina Center of Columbia, South Carolina to its esteemed group of retina practices. The addition of Carolina Retina Center bolsters RCA's presence in central South Carolina, as they join forces with RCA's existing partner practice Palmetto Retina Center. This milestone signifies the growth and success RCA has achieved since its founding just over 1 year ago.

"All of us at Palmetto Retina are thrilled to join Drs. Gross and Fishburne and their staff at Carolina Retina. Together, we will be better positioned to provide state of the art medical and surgical care for retinal diseases and continue our commitment to innovation through clinical research," said W.
