Benefits of in-person and online preschool TOGETHER

ROSEVILLE, CALIFORNIA, UNITED STATES, March 29, 2021

[/EINPresswire.com/](https://www.einpresswire.com/) -- Benefits of in-person and online preschool TOGETHER

Online and in-person preschool helps develop and prepare your child for the world ahead of them. Thousands of families are successfully utilizing both programs together.

- Continued routine for children on days they are not attending school in-person (this is SO important!).
- Fun activities to participate in at home.
- Socialization and development when not in in-person school.
- A structured program to help parents and caregivers educate, socialize, and develop their children.

Case Study: Ways families are using our online program while attending in-person preschool:

Mom works from home part-time and was running out of ideas to keep her 4-year-old daughter educated, socialized, and entertained. Now her daughter Maya attends [Growing Brilliant in-person preschool](#) on Mondays, Wednesdays, and Fridays. On Tuesdays and Thursdays, she joins [Growing Brilliant Online Preschool](#) to keep her routine, activities, and socialization with peers and teachers.

Joshua attends an in-person program Monday through Friday, half days, and joins Growing Brilliant Online Preschool in the afternoons. Using our program as a supplement to in-person preschool is a great way to keep your child engaged and busy when they are at home! They are already familiar with the routine which makes for a seamless transition.
