

Arizona Mesothelioma Victims Center Appeals to the Family of a Navy Veteran with Mesothelioma in Arizona to Get Serious About Compensation and to Call Attorney Erik Karst of Karst von Oiste-For Much Better Results

PHOENIX , ARIZONA, USA, May 28, 2021 /EINPresswire.com/ -- According to the Arizona Mesothelioma Victims Center, "We have been helping Navy Veterans with mesothelioma for nearly two decades and our top priority for a person like this or their family is that they receive the best possible financial compensation results. The biggest mistake we see people with mesothelioma and or their family make is the second they get word of a confirmed diagnosis they start calling on online ads about mesothelioma and they start ordering 'free' generic kits, guides, calculators, publications-or they call what looks to be a VA helpline for Navy Veterans with mesothelioma. The VA and or navy do not sponsor call centers for Navy Veterans with mesothelioma. Why do business with dishonest law firms?

"If you are a Navy Veteran with recently diagnosed mesothelioma in Arizona or their loved ones-rather than wasting time on nonsense-please call attorney Erik Karst of the law firm of Karst von

Oiste at 800-714-0303 to discuss financial compensation as well as what the Veteran's claim might be worth. As Erik Karst will explain a Navy Veteran's mesothelioma compensation claim might be worth a million dollars-and the claim does not involve suing the navy. The call to Erik is no obligation. Mesothelioma compensation is based on how, where and when a person with this rare cancer was exposed to asbestos-as Erik Karst is always happy to discuss." www.karstvonoiste.com/

The Arizona Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim

anywhere in Arizona including communities such as Phoenix, Tucson, Mesa, Chandler, Glendale, Gilbert, Tempe, Peoria, or Prescott. <https://Arizona.MesotheliomaVictimsCenter.Com>

For the best possible mesothelioma treatment options in Arizona the Arizona Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.
