

# Taylor Castro's Song, "Muse with a Dagger", Debuts in the Top 25 on the Billboard Adult Contemporary Chart

*Taylor Castro (singer and songwriter) is also ranked the #1 A/C Independent Artists this week in the radio trade magazine, Mediabase.*

MIAMI, FL, UNITED STATES, April 6, 2021 /EINPresswire.com/ -- Taylor Castro's latest single, "Muse With a Dagger", debuted in the Top 25 on Billboard's Adult Contemporary (A/C) chart at #24 this week, a substantial accomplishment for an independent artist. The record is also currently #25 on the Mediabase chart and is currently ranked #1 Independent Artist on the Mediabase A/C chart.

The single, written by Taylor Castro and produced by Peter Wallace, blends a pop contemporary production that highlights Ms. Taylor's brand of powerful and soulful vocals. With Taylor's youthful appearance, it's easy to be surprised when she starts singing as her mature voice is unique and hypnotizing. When the lyrics are dissected, it shows off Taylor's love for classical literature that you commonly hear hints about throughout many of her songs.

“

It's a song about the divisions society forces us to have with those who aren't like us...”

“'Muse with a Dagger' can be seen from many different angles...For me, it's a song about the divisions society forces us to have with those who aren't like us, told allegorically through a relationship between two individuals. The pair forms an unexpected bond but are torn apart due to the polarized communities they come

from. This is not Romeo and Juliet, though, because the characters have genuine loyalty to their

people and are frustrated by the unwanted connection. When a natural conflict occurs between the two, they rage against the other's community. It's all in vain, however, because both of them will always be an entity separate from what they stand with. In a rage, one can destroy the world of the other but never quite bring themselves to destroy the other. This is because we are not defined by what we associate with. We are defined solely by the corners of our inner selves that no one can quite fit into or even grasp." - Taylor Castro
