

Austin Drug and Alcohol Treatment Center, Any Length Retreat, Celebrates 9th Anniversary With Addiction Awareness Event.

The outdoor event is sponsored by local recovery beverage brand, Clean Cause, and will feature musical performances by Black Fret-nominated artists.

AUSTIN, TEXAS, UNITED STATES, April 2, 2021 /EINPresswire.com/ -- We are facing the biggest addiction crisis in our nation's history right now. The [opioid epidemic](#) continues to take headlines these days – and for good reason - as opiate-related deaths are skyrocketing. We lost 81,000 Americans to the crisis in 2020 alone. Recent [CDC statistics](#) show that an average of 95,000 people in the U.S. lose their lives each year due to alcohol-related causes. Methamphetamines – drugs not typically known for their deadly overdose rates - are now displaying disturbing trends, as overdose deaths have surged over the last eight years. As the nation was forced into lockdown and our mental health placed on hold, substance use disorders escalated, creating a pandemic within the pandemic. All the while, getting help for addiction became less accessible, as treatment centers were forced to close their doors – either temporarily or permanently.

On April 24th, Austin drug and alcohol treatment center, Any Length Retreat, will host an interactive outdoor festival to raise awareness for the escalating substance use disorder crisis in our country. With this event, the treatment center will also celebrate their ninth anniversary and express gratitude for their ability to safely remain open throughout the pandemic. “With so many facilities closing due to COVID-19, we feel so blessed that we were able to meet safety standards and keep our doors open for those that needed help,” says Any Length Retreat founder, Robert White.

The event, which is called “Any Length Fest,” is sponsored by Austin-based recovery beverage brand, [Clean Cause](#), and will feature live music from Black Fret-nominated artists, CrossFit classes from Any Length Retreat’s Certified Personal Trainer and National CrossFit competitor, Chase Christian, recovery speakers, local food trucks, and vendor booths. All proceeds from Any Length Fest benefit the treatment center’s non-profit organization, Stairway to Sobriety, a scholarship fund providing financial assistance to those who cannot afford treatment for substance use disorders. www.stairwaytosobriety.org.
