“Our customers are the most important shareholders we have as a company,” Pham said. “They are our greatest teachers and our best friends. So, we look at every transaction in that light. We want to fully stand behind every item that leaves our factory because those users deserve nothing but the highest quality of product.

That stands true for everything we do at Dony; yesterday, today, tomorrow, and forever. Those people that have used our products can attest to our ability, it’s on us to ensure that trust is not broken and reward those users, and our corporate partners, to continually deliver the highest quality products at a more than reasonable price. And that is exactly what we plan to continue to do.”

Finished units are shipped in medical packaging. They can be sterilized with EO gas technology that is commonly used for medical supplies. An indicator strip shows the wearer if the mask has been sterilized. This commitment to quality enables DONY to export the masks to demanding countries like the USA and destinations in Europe.
