“

Transformation begins when your vision is a solution to a situation. Along with that vision, investing in the right people, skills and technology is critical for continued success.”

Dr James Okpanachi

[Dr James Okpanachi](#), Founder and Chief Architect, RLC London, graced the inaugural function as the keynote speaker and trainer. The leadership and entrepreneurship twin model and the link between the two was presented by Dr. Evelyn Okpanachi, CEO RLC London.

Dr James talked about the importance of The Transformation Equation, leaderships misconceptions and selection of the right components of transformation for success. In his address to the leaders, Dr James said:

“Transformation is a key driver of leadership. Transformation begins when your vision is a solution to a situation. Along with that vision, investing in the right people, skills and technology is critical for continued success. Leaders coming together and collaborating makes for a successful and happy society.”

The panel included H.E. Laila Rahhall Elatfani, Mr. William Stenhouse of UAE/African Network and Ms. Adeshola Helen besides Dr James and Dr Evelyn. The conference was attended by over 30 participants including industry experts, directors, entrepreneurs and management professionals from across the region.

The interactive sessions enabled the participants to network and share their views with the panel benefitting both the participants and the panel. A series of tech, leadership and other events in the UAE are expected within the year by RLC London.
