In addition to curbside pickup, All Sew decided to bring the portable sewing machine shopping experience to their customer's living room.

All Sew sells sewing supplies, embroidery machines, sewing machines plus a range of other products at their in store location. The online store is focused on more affordable machines like the [Singer M3500 sewing machine](#) and the [Brother SE1900 sewing and embroidery machine](#).

If you've taken up sewing as one of your quarantine activities like [George Clooney](#) has, All Sew has made it easy to buy a machine without having to veer out into the public.
