What Is The Lost Book Of Remedies?

The Lost Book of Remedies authored by Nicole Apelian and Claud Davis is a book that talks about the age-old wisdom and knowledge in regards to herbal remedies which include tinctures, salves, and brews. Most of the remedies have been discovered by Nicole Apelein who herself discovered medicine for her illness.

The Lost Book of Remedies book is available both in digital format as well as paperback. With illustrations, It helps you get acquainted with several of the flora that is exotic and nutritious. These are found in various parts of America and are less used by the pharma industry.

The Lost Book of Remedies ebook helps you with remedies that help to attack the root cause of the illness rather than just fighting off the symptoms. The ebook provides healthy alternatives and these have no kinds of harmful side effects, no matter what.

The Lost Book of Remedies 318 pages book provides you with information on 100 plus herbal plans, 500 plus remedies, and a lot more unknown and unheard practical life interventions that will enhance your overall health.

About The Authors

The Lost Book of Remedies book is written by Nicole Apelein along with ClaudDavis. Nicole Apelian was suffering from multiple sclerosis and had found herself bedridden. She found her recovery with the help of a few herbal remedies.

She is a herbalist and has been studying and working in the field for more than 20 years. She worked with one of the last Kalahari tribes called the San Bushman. Claud Davis has been working in the field of plants for many years. He was passed down with ancestral wisdom through his grandfather's book on natural medicines that were used during the time of world war.

They both planned to write The Lost Book of Remedies book with the hope that these remedies are not forgotten with the modern technology that has been coming up with new remedies and medicines.

What Is Inside The Lost Book of Remedies?

You will come across 318 pages of information loaded with all that you need to have a better life. These are information regarding several medicinal plants, and also on remedies that you can make with these plants. This helps educate people who know herbal plants.

To talk about the herbal remedies you will come across remedies that help you treat wounds, bacterial infections and also reduce plaque in your system. It also has a lot of remedies that you will be guided to make at your own house. You will understand several herbal plans that have been growing in your backyard and how helpful they are to treat various illnesses. You will have a practical idea of these remedies.

Besides that, you will also be acquainted with several survival skills that are natural. Bandaging is one such factor that you learn. You will be taught how to bandage a wound by applying several herbal plants to the wound directly that helps it to heal without leaving any marks of pain. You also learn to identify plants and their uses along with how to convert them into a syrup or brew or concoction for treatment.

You also learn different remedies that provide you with long-lasting results. The difference between these remedies and modern medicine is that the former attacks the root cause while the latter only cures the symptoms and hence there is a chance for recurrence.
