868 estate Vineyards presents Nova Music Fest benefitting Cancer Can Rock

LEESBURG, VA, UNITED STATES, April 9, 2021 /EINPresswire.com/ -- 868 Estate Vineyards presents NOVA Music Fest 2021 to benefit [Cancer Can Rock](#)

Cancer Can Rock, a Virginia-based non-profit national organization supporting musicians fighting cancer, through partnership with 868 Estate Vineyards will present the NOVA Music Fest, an afternoon of music from top quality regional musicians on Sunday, June 13, 2021 at the beautiful 868 Estate Vineyards in Hillsboro, VA (Rain Date: June 20). The vineyard opens at 11 am. The music starts at noon and ends at 5:00 pm.

Cancer Can Rock was founded by music producer Jim Ebert, himself a cancer survivor, as a way to ensure that musicians facing this difficult disease would have an opportunity to have their voices heard, through the release of a professionally produced song and music video. This experience has provided a great, even if temporary, respite from the battle against the disease, while also resulting in something that will last forever for the artists and their families.
