

DAVID L. HECHT, FOUNDER OF HECHT PARTNERS LLP, MAKES BILLBOARD'S 2021 TOP MUSIC LAWYERS LIST

NEW YORK, NY, UNITED STATES, April 5, 2021 /EINPresswire.com/ -- [Hecht Partners LLP](#) ("Hecht Partners") founder and managing partner [David L. Hecht](#) has been selected to [Billboard](#) magazine's "2021 Top Music Lawyers" list. This issue of Billboard recognizes the most influential, well-known, and well-respected attorneys in the world of music and entertainment law.

This tremendous accolade compliments Mr. Hecht's 2020 inclusion in the IAM 1000: The World's Leading Patent Practitioners. He has also been included in the New York edition of Super Lawyers every year since 2015.

Mr. Hecht was extremely pleased to be included on the Billboard "Top Music Lawyers" list. "It's an honor to be included among so many of the 'best legal minds in the business,'" said Mr. Hecht. "I am also fortunate to have many supportive clients, like JaQuel Knight."

Among Mr. Hecht's accomplishments in the past year, the inaugural year of his eponymous law firm, have been substantial:

- In a major victory that eviscerated Apple's copyright claims against its client Corellium, Mr. Hecht led the team that defeated Apple's motion for summary judgment and was granted, in part, Corellium's motion for summary judgment.
- Mr. Hecht secured an historic copyright registration on the choreography for "Single Ladies 'Put a Ring on It'" for client JaQuel Knight, one of the preeminent choreographers in the world, which led to a feature in Billboard in November 2020.
- Hecht Partners defeated a motion to dismiss by Epic Games on behalf of world-famous

saxophonist Leo P, which led to the creation of new law regarding false endorsement; following the victory, the matter was swiftly resolved.

- Hecht and his firm partnered with IP Shark, following a successful representation of that company, to curb intellectual property infringement.

- Hecht Partners also became the first law firm to partner with the Blockchain Council. Mr. Hecht has been certified by the Blockchain Council as a (1) Certified Bitcoin Expert; (2) a Certified Blockchain Expert; and (3) a Certified Blockchain & Law Professional. (He is also certified by the CryptoCurrency Certification Consortium (C4) as a Certified Bitcoin Professional.)
