

With Working from Home Becoming the New Norm, How Can You Stay Productive and Keep Your Gear Protected?

30% of the World's Workforce Expected To Continue Working Remotely After the Pandemic

ANAHEIM, CA, UNITED STATES, April 6, 2021 /EINPresswire.com/ -- Even before the COVID-19 pandemic hit, large numbers of U.S. employees were working from home. In the past year, with the pandemic and ensuing lockdowns, that number has grown significantly. [Recent studies](#) indicate many will continue to work remotely even after the pandemic ends. Some experts predict that upwards of 30% of the global workforce will be permanently working remotely by the end of 2021.

With Working from Home Becoming the New Norm, How Can You Stay Productive and Keep Your Gear Protected?

“

Whether you're working from home or returning to work in your offices or on the road, you can rely on Mobile Edge to help you store, protect, and transport your gear safely ...”

Paul June, VP of Marketing

With the likelihood of remote work becoming the new norm for many, the ability to stay productive while keeping laptops, tablets, smartphones, and other tech organized and safe is vital for many professionals and their companies.

“Whether you're working from home or returning to work in your offices or on the road, you can rely on [Mobile Edge](#) to help you store, protect, and transport your gear safely,” explains Paul June, VP of Marketing for Mobile Edge. “Plus, our great lineup of mobile [power](#) and other personal productivity accessories, keeps you connected and powered up wherever you are.”

For power on the go, the ultra-portable 10,000mAh 18W PD+QC Fast Charge High-Capacity Power Bank is perfect for charging smartphones and other mobile devices; while our airplane-friendly Core Power AC USB 27,000mAh Portable Laptop Charger, with its universal AC outlet, is

ideal for power-hungry laptops and gaming consoles.

For Qi-enabled smartphones, the Mobile Edge Wireless Charging Mouse Pad is a versatile 2-in-1 product that cuts down on desktop clutter by doubling as an ultra-slim mouse pad and wireless charger.

The USB Wall Charger Turbo 6 transforms one wall outlet into a 6-port USB charging station. With 50 watts of power, it can charge up to six devices simultaneously at blazing fast speeds.

The All-in-One USB-C Adapter Hub turns a single USB-C Port into a powerhouse workstation. It securely connects most devices and/or peripherals to a laptop or tablet via a durable USB-C Cable, plus provides 4K HDMI Video Output, an SD/Micro SD Card Reader, and High Speed 2 USB ports for 5GB data transfer.
