

MediaAgility Achieves Looker Delivery Verified Status in Looker Partner Network Ecosystem

MediaAgility announced that it is now a Looker Delivery Verified partner. This announcement comes within a year of joining the Looker Partner Network Ecosystem.

PRINCETON, NJ, UNITED STATES, April 8, 2021 /EINPresswire.com/ -- [MediaAgility](#) announced that it is now a Looker Delivery Verified partner. This announcement comes within a year of MediaAgility [joining the Looker Partner Network Ecosystem](#). The verified status establishes MediaAgility's capabilities to deliver Looker services, independently or together with Looker's Professional Services team.

Looker is a unified platform that powers data experiences and delivers actionable business insights to employees at the point of decision. Looker was acquired by Google Cloud in February 2020. Over 2000 industry-leading and innovative companies have powered their data-driven cultures with Looker.

As a member of the Looker Partner Network ecosystem, MediaAgility has been helping many businesses transcend traditional business intelligence and analytics, and power out-of-the-box data analytics with integrated insights. This recent upgrade in MediaAgility's Looker expertise was supported by their teams' multiple LookML certifications and their portfolio of [clients](#) from manufacturing, healthcare, and services industries.

A badge with the Looker logo (a blue circle with a red and green dot) at the top, followed by the text "Looker Consulting Partner" and "DELIVERY VERIFIED" below it. The badge is surrounded by colorful confetti.

MediaAgility Inc.

Earning the Looker Delivery Verified status is an exciting milestone for us, particularly because we joined the Looker Partner Network Ecosystem just last year, in 2020.”

*Asheesh Sharma, Partner,
Digital Business Services*

“Earning the Looker Delivery Verified status is an exciting milestone for us, particularly because we joined the Looker Partner Network Ecosystem just last year, in 2020. This has been made possible by our team’s commitment to delivering the advanced data analytics solutions with Looker and Google Cloud for our global clients. Now, we are more equipped to enable businesses to extract meaningful insights from their data, and gain a competitive edge.” says Asheesh Sharma, Partner, Digital Business Services – US, MediaAgility

With knowledge and expertise of Looker, MediaAgility has been enabling clients to transform their business; the clients can infuse customizable data experiences and advanced data analytics into their day-to-day tools and workflows. A few of MediaAgility’s offerings and capabilities include:

- A powerful semantic layer for the isolation of logical and physical models
- Self-service enablement of data analytics
- Connectors for a large number of datastores/databases
- Implementation of column-level security, feature-rich visualizations, advanced filters
- Integration with Github to support clean SDLC implementation

About MediaAgility
