About

An up-and-coming sensation in the genre of Rap and Hip Hop, KB8 is a rising musical sensation. The talented artist got into music when he was young, being surrounded by a musical family, including his grandmother who was a music teacher.

Growing up, the budding artist took piano lessons and sung in the church choir playing the clarinet and oboe and perfecting his musical tastes and talents. He then began building his own electric studio and started experimenting with his musical leanings, preparing beats over the course of 20 years to encapsulate his own unique taste.

With the onset of the pandemic, KB8 took it upon himself to fully immerse himself into music as a way to focus on himself and discover important things in life, such as growth and love through the power of music.

Currently, along with preparing stunning singles for his upcoming album, KB8 is working on a project self-styled as "Yard Sale", whereby he films his own music videos preparing his music in a yard sale setting.
