This year, RUN! GEEK! RUN! will benefit [The Child & Family Network Centers \(CFNC\)](#), a cause dedicated to delivering quality education to Alexandria's at-risk kids. Founded by a group of mothers living in public housing in 1984, CFNC is the only Alexandria, VA. nonprofit that provides free quality, bi-lingual preschool and family support for our area's working poor.

For over 30 years, CNFC has broken down the learning barriers associated with living in poverty by extending comprehensive health and family services to community members that address physical and mental health issues that affect a child's ability to learn.

Race director and Ironistic partner, Rita Foss commented, "Our RUN! GEEK! RUN! 5K has always been a blend of health and wellness, technology, and giving back to the community, and this year we couldn't be more proud than to center our support around CFNC. Their impact on Alexandria families has been nothing short of life-saving, and we're happy to contribute to their success."

The 5K race is a [USATF-certified course](#), beginning and ending at the south end of Alexandria's Main Line Boulevard. Awards are handed out to the top three male and female finishers as well as the top three male and female finishers in 5-year age group categories. The top three Corporate and Community Teams also receive awards.

Participants can join the official RUN! GEEK! RUN! mascot team, Team Eugene; create their own team; or run/walk solo! Visit [RunGeekRun.com](http://RunGeekRun.com) for race details, course information, and online registration today!
