“The sweet taste of mango salsa is a fresh topping to any of our meals, especially as the weather heats up and guests crave light ingredients,” said Barberitos Founder and CEO Downing Barber. “We are thrilled to bring back this fan-favorite and serve it to guests to enjoy all summer long.”

Barberitos uses fresh, hand-cut mangoes, pico de gallo, cilantro, peppers, jalapenos, fresh lime juice and sea salt to make the seasonal salsa, which offers a zesty, tangy

contrast to the traditional tomato-based salsas found at the restaurant. All of Barberitos salsas, including the mango salsa, are made fresh daily.

Barberitos is a Southwestern Grille dedicated to serving farm-fresh, high-quality food in a fast-casual restaurant environment. Many of the restaurants’ menu items are prepared or cooked in-house daily, including hand-smashed guacamole, homemade salsas, fresh-cut vegetables as well as chicken, steak, pork, turkey, tofu, rice and beans.
