The group says, "We have been assisting Navy Veterans with mesothelioma for nearly two

decades and if we had one very solid piece of advice it would be--the second you learn you or your loved one has mesothelioma-please do not start signing up for what sounds like 'free' kits, guides, publications, calculators or other nonsense unless you want your telephone to ring off the hook-all day long-everyday. It can get so bad people with mesothelioma or their family members stop picking up their phone.

"If you are a Navy Veteran with mesothelioma in Tennessee or their family members and you want to learn how mesothelioma compensation works-and what your claim might be worth-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303.
