Elite Airways passengers receive free onboard snacks and beverages, free seat assignments, and free first checked bag up to 50lbs, and no ticketing change fees (see website for details). Elite Airways is also pet friendly.

"We're thrilled to introduce service at Martha's Vineyard and Nantucket with daily nonstops, using our comfortable and reliable CRJ jet aircraft," said John Pearsall, President of Elite Airways.

“Flying to an island destination requires flexibility, so passengers will appreciate that Elite Airways has no ticketing change fees, and first-checked bag, carry-on and seat assignments are free. Also, as a pet-friendly airline, we can accommodate family pets to fly in the cabin with their owners—including larger, well-behaved dogs. We believe this new service will be well received by vacationers and islanders, and we wish to thank airport officials for their support.”

Nearly 30 miles off the coast of Cape Cod, the island of Nantucket has preserved the charm and elegance of the 1800s. Because of its isolation and unspoiled beauty, Nantucket is a vacationers’ paradise—one where the vistas are breathtaking, the beaches and lighthouses are picturesque, and life happens at a relaxed pace.

“We look forward to welcoming Elite Airways to our airport and know that our community will appreciate a new morning nonstop flight to White Plains,” said Thomas Rafter, A.A.E., Airport Manager, Nantucket Memorial Airport. “Nantucket is such a unique and beloved island by both our residents and visitors, and we are pleased to support this service opportunity for the community.” Nantucket Memorial Airport is located three miles southeast of the town center and more information is available at: <https://www.nantucket-ma.gov/597/Memorial-Airport>.

The island of Martha’s Vineyard off the coast of Cape Cod is equally picturesque and has six small towns, each with their own distinctive personality. It’s a popular summer destination for A-list celebrities, politicians and business executives looking for a respite from their hectic lives.

“We are pleased to welcome Elite Airways to the Vineyard and to add a new daily nonstop flight to White Plains,” said Geoffrey R. Freeman, Airport Director, Martha’s Vineyard Airport. With tremendous demand to get here, we believe an additional daily nonstop to White Plains will be a home run with our island residents and visitors we serve each year.” Martha’s Vineyard Airport is located in the town of West Tisbury and more information is available at: <https://mvyairport.com/>.
