

Fran Briggs Announces Best of Spring Reading 2021

Selections depict romantic, calming, jarring, western, and inspiring narratives

NEW YORK, NY, USA, April 7, 2021 /EINPresswire.com/ -- With the release of the highly anticipated, Best of Spring Reading 2021, American Journalist, [Fran Briggs](#) has released her annual selections. The list is organized by title, author, publisher, a short synopsis of the book and a link for additional information and purchase.

Genres from the Best of Spring Reading 2021, include mystery, suspense, poetry, humor, spiritual, sci-fi, romance and western.

While there is no standard formula for identifying the absolute best books, Briggs says she has identified titles that entertain and distinguish them from the masses. The journalist is committed to advancing literary selections each season.

"Take a journey to exotic countries; come face-to-face with forces of nature; add to your intellect, and more," says Briggs.

"These books not only promote literacy, but showcase the talents of ten authors who are capturing the attention of readers who enjoy a mass appeal of genres."

The American journalist emphasized that the "Best of spring reading is not a list 'greatest hits', but rather a collection of among the best of spring reading in 2021."

Below are the 10 picks. The numerical order does not coincide with ranking.
