

Acclaimed Author, George H. Hassanzadeh, Praised by Kirkus Reviews for His Latest Book

LOS ANGELES, CA, UNITED STATES, April 8, 2021 /EINPresswire.com/ -- Acclaimed author, [George H. Hassanzadeh](#) has been receiving rave reviews for his book, "[First Comes the Mosque](#)." "First Comes the Mosque", is a rare book that challenges its readers to consider what their silence is costing us all. The book is an urgent message about mosques, terrorism, lies, and deception in the Shiite colt. George Hassanzadeh possesses an uncanny ability to zoom into a particular issue and hold it within his grip until it is resolved. He approaches the most important issues with honesty, vigor, clarity, and common sense.

"I made a life-altering choice working on this most vital and alarming subject, states Hassanzadeh. "It is because I know the world is imminently in danger and at the same time wholly innocent of the true facts and figures. Islam is not a system to respond to people's spiritual needs, but a compulsory dogma set to govern, and that no national ideology should stand in its way. I have become the voice of the voiceless. I am the gate, the gate-keeper and all that's behind the gate too. I take the responsibilities seriously and the realm remains mine."

Legendary Kirkus Reviews praised the book and regards it "is one of the best in

George H. Hassanzadeh

its field." "George is clearly an expert on this topic and has a unique points of view to share, making this a valuable book, especially at this time," states Kirkus Reviews. "Hassan's command of the historical and theological materials is notable; his nuanced disentanglement of the Shiite and Sunni Muslim traditions is especially illuminating. In addition, he's finely attuned to religious hypocrisy, the ostentatious expression of virtue that conceals the practice of vice."
