

# Less Than Two Weeks to go Until Defence Aviation Safety 2021

*There are less than two weeks remaining until the 3rd Annual Defence Aviation Safety Conference, taking place virtually on the 21st - 22nd April 2021.*

LONDON, UNITED KINGDOM, April 8, 2021 /EINPresswire.com/ -- There are less than two weeks to go until the 3rd annual [Defence Aviation Safety conference](https://www.defenceaviationsafety.com), which will convene online as a virtual event on the 21st - 22nd April 2021.

This event is a must-attend for all those within the military aviation community, as the agenda consists of a range of senior speakers from the aviation domain, including experts from across the UK, US and Europe. As the only online event specifically focused on defence safety within aviation, Defence Aviation Safety offers a unique opportunity for leaders and experts to network and share best practice that will save lives and protect capability.

Registration is free for military and government personnel and just £999 for commercial organisations. Interested parties can register online at [www.defenceaviationsafety.com/EINpr6](https://www.defenceaviationsafety.com/EINpr6).

Attendees will hear safety briefings from the UK MoD, Royal Air Force, US Air Force, Netherlands Armed Forces, US Army Aviation Center of Excellence and many more, as they discuss the latest strategies and technologies on how they're enhancing safety processes across their respective organisations.

The speaker line-up includes:

#### UK Speakers:

- Sir Simon Bollom, Chief Executive, DE&S
- Air Vice Marshal Allan Marshall, AOC, No.1 Group, Royal Air Force
- Air Commodore Jamie Hunter, 22 Group - Director of Flying Training, Royal Air Force
