Disclaimer

This press release and the associated Opportunity Research report was prepared for informational purposes only. Goldman Small Cap Research, (a division of Two Triangle Consulting Group, LLC) produces research via two formats: Goldman Select Research and Goldman Opportunity Research. The Select format reflects the Firm's internally generated stock ideas along with economic and stock market outlooks. Opportunity Research reports, updates and Microcap Hot Topics articles reflect sponsored (paid) research but can also include non-sponsored micro-cap research ideas that typically carry greater risks than those stocks covered in the Select Research category. It is important to note that while we may track performance separately, we utilize many of the same coverage criteria in determining coverage of all stocks in

both research formats. Research reports on profiled stocks in the Opportunity Research format typically have a higher risk profile and may offer greater upside.

The information used and statements of fact made have been obtained from sources considered reliable but we neither guarantee nor represent the completeness or accuracy. Goldman Small Cap Research did not make an independent investigation or inquiry as to the accuracy of any information provided by the Company, or other firms. Goldman Small Cap Research relied solely upon information provided by the Company through its filings, press releases, presentations, and through its own internal due diligence for accuracy and completeness. Such information and the opinions expressed are subject to change without notice. A Goldman Small Cap Research report or note is not intended as an offering, recommendation, or a solicitation of an offer to buy or sell the securities mentioned or discussed. This report does not take into account the investment objectives, financial situation, or particular needs of any particular person.

This report referred to herein does not provide all information material to an investor's decision about whether or not to make any investment. Any discussion of risks in this presentation is not a disclosure of all risks or a complete discussion of the risks mentioned.
