LOS ANGELES, CALIFORNIA, UNITED STATES, April 16, 2021

/EINPresswire.com/ -- Pop artist Gina DiGiorgio releases her latest single "Mask". The new pop track follows Gina's popular singles "This Isn't That" and "Pay Me No Mind" feat. Clyde Kelly.

"Mask" is about concealing yourself and hiding who you really are. During the recent pandemic Gina thought about the effects of being distant from others for so long. "Mask" was created to help people feel good and have fun even in our current situation.

"Mask" has a disco influence under its pop melodies sure to make any listener get up and dance.

Last year Gina DiGiorgio made a big splash with "This Isn't That" and "Pay Me No Mind" feat. Clyde Kelly. Her song "Figure Out", is her most streamed song on Spotify with over 100,000 streams establishing Gina as a one to watch in 2020. Now "Mask" sets the stage in 2021 for Gina's music as she has several upcoming projects set to be released.
