Alexander James Rodriguez - We Are

"My new single 'We Are' was very much born out of the pandemic. It was probably the hardest of all my upcoming songs to write and record, mainly because I wanted the song to touch the hearts of everyone," explained Rodriguez. "The song is about finding your own light and to always be the shining star you are. I wanted people to feel happy and empowered to let their colors shine when they heard the song, and watched the music video, which highlights people loving life and having fun. I hope we achieved that."

The music video for 'We Are' was filmed at Angels Point in Elysian Park overlooking Downtown Los Angeles and Dodgers Stadium, as well as the hidden underpass under South Grand Avenue where blockbuster films 'Terminator', 'Dark Knight' and 'The Soloist' were filmed, and on the

steps of the iconic Walt Disney Concert Hall on Grand Avenue, Los Angeles. The additional footage was handpicked by Alexander to represent all walks of life.

'We Are' from Alexander James Rodriguez is currently out and available for download on iTunes and all digital streaming platforms including Apple Music, Spotify, Amazon Music, YouTube Music, TikTok, Pandora, DEEZER and more. Choose your music platform click the link:
