

Airbnb? No Now With Home Restaurant Hotel You Can Also Transform Your Home Into a Restaurant Without Commission

Gaetano Campolo CEO of Home restaurant Hotel announced the launch of the platform internationally a few days ago.

REGGIO CALABRIA, RC, ITALIA, April 11, 2021 /EINPresswire.com/ -- In Italy it is already fashionable and the website now boasts over 300 home restaurants in over 50 Italian cities and over 3000 registered users. All the most important Italian national press has been talking about the Home Restaurant Hotel startup for over 5 years but the Italian Government, instead of following the European Agendas of 2014 and 2016, has tried unsuccessfully to hinder the sector. In Italy, thanks to Home Restaurant Hotel, today the sector is in order, without law, but with a favorable opinion from the Ministry of the Interior and a favorable opinion from the competition and market authority today occasionally, maximum 3 times a week you can carry out this private activity that has nothing to do with classic catering.

Gaetano Campolo CEO and Founder of Home restaurant Hotel won the award, coveted by young entrepreneurs, as CEO of the year for Le Fonti Awards Innovation 2020.

The platform presented the event with this announcement and there are already over 1500 registration requests from all over the world.
