SACRAMENTO, CALIFORNIA, USA, April 12, 2021 /EINPresswire.com/ -- In the last year, the Libertarian Party of California has grown its membership

by over 12 percent, and the number of registered Libertarians in the state has increased by over 14 percent, making it the fastest growing political party in the state. The upcoming 2021 State Convention's agenda is going to focus on developing strategies to build on this growth. The convention agenda will focus on initiatives to continue this rapid increase in the number of registered Libertarians, the level of donations as well as the visibility of the Party to the general public.

The convention's keynote speaker will be [Marshall Burt](#), Wyoming House District 39 Representative, who is the first Libertarian to win a state-level seat in the Party's history. Last year's election results set a record for the Libertarian Party nationwide and Burt is coming to California to share some of his thoughts on how to repeat his success.

The LPC convention gets underway starting Friday, May 14th at 6 pm and ends Sunday, May 16th at 5 pm. It will be held in Tulare County at the Visalia Marriott at the Convention Center, 300 South Court, Visalia, California 93291. For more information and to register [click here](#).
