North Beach Art Gallery houses the only complete Bronze ERTE' SCULPTURE COLLECTION IN THE WORLD. This privately held collection boasts the only 205 works of art.

Actress Elizabeth Taylor and the late Michael Jackson are the only ones known to have expansive bronze sculpture collections, not complete since this collection has the only casting of "Letter F."

It is the artist proof in the only one cast.

"This is a fantastic way to bring the art and fashion together to celebrate the Centennial of Art Deco. We are now Centennial and pleased to host this collaboration of fashion and art," said Brooke Trace, gallery director.

"The Ms. International World Organization is honored to work with this one-of-a-kind artist and gallery", quoted Angela Posillico, CEO and owner for Ms. International World.

Gowns will be provided by Judith Barnes for JB Couture, Photography by Carlos Urbizo, Videography by Above Pixels & Model Coordination by Susmita Patel for SP FashionDirect, LLC.
