The National Veteran-Owned Business Association (NaVOBA) officially opened its annual survey today honoring the best U.S. corporations working with veteran-owned businesses. Now in its 14th year, this prestigious list honors the large corporations that most successfully engage the nation's Certified Veteran's Business Enterprises™ (VBEs) and/or Certified Service-Disabled Veteran's Business Enterprises™ as suppliers.

"The military teaches leadership, teamwork, integrity, resolve and ingenuity," said NaVOBA President Matthew Pavelek. "These intangibles are also the most important ingredients for success in running a business – which is why corporate America is so eager to partner with veteran-owned suppliers. The corporations we honor with this program just happen to be the best."

The companies that earn the Best Corporations for Veteran's Business Enterprises™ distinction will be featured in the Fall issue of Veteran's Enterprise, NaVOBA's official national quarterly report.

"NaVOBA's efforts to identify the best big corporations doing business with veteran-owned businesses as suppliers has grown dramatically," said NaVOBA Vice President Mimi Lohm. "Recognizing these excellent Supplier Diversity Programs brings well-deserved acknowledgement to the exceptional job these firms do at working with America's vetrepreneurs."
