Rotten Tomatoes’ “Top Critic” Randy Myers from San Jose News wrote, “Writer/director Deirdre O’Connor’s heartfelt, sentimental and immensely relatable feature runs on just a little long, but

fondly embraces dysfunctional families in all their pain and glory.”

This comedy resonates on so many levels. After his wife’s recent death from Alzheimer’s, Joe McGuinness moved in with his daughter Caroline and her teenage daughter. It is not an easy adjustment –for anyone. Joe is demanding and difficult and stubbornly believes he is still capable of running his own life –despite evidence to the contrary. Caroline and her sister Fran put everything on hold, rearranging their daily schedules, careers, and personal lives in order to assist their aging father. Two out-of-town siblings do little to help –but, when they do, offer impractical and uninformed solutions that only add to the upheaval and chaos. Although the family is at odds as to how best care for their father in his final years, they are united in wanting to ensure his well-being and help him find peace of mind–without them losing their own. Welcome to the Sandwich Generation.
