

# TIE PRO Taiwan Simplifies Wire and Cable Arrangement Needs

TAINAN, TAIWAN, April 13, 2021

/EINPresswire.com/ -- JYH SHINN

PLASTIC CO., LTD. (TIE PRO Taiwan)

specializes in cable tie and wiring accessory manufacturing. Its recently launched brand TIE PRO Taiwan delivers innovative cable ties to serve high-end industrial markets with specific requirements. The company will be showcasing its new Special Material Cable Tie at various upcoming industry events in 2021.

TIE PRO Taiwan's Special Material Cable Tie is designed with superior quality for various industry applications. Its products can be custom made with multi-property materials, such as UV resistance, flame retardant, high temperature resistance, and high impact resistance. Furthermore, various industries with specific environmental conditions are demanding higher product cycles which TIE PRO Taiwan's products are designed for. These industries include solar power, electronics, automotive, and chemical. As the green power and automotive markets are seeing significant growth post-pandemic, the company aims to provide innovative designed cable ties to meet the increase in demand.

## Competitive Advantages:

- UV Resistance/High Temperature/Flame Retardant
- Customer-oriented service - customization and prompt delivery
- UL, RoHS, and SGS certified
