MELBOURNE, VIC, AUSTRALIA,

EINPresswire.com/ -- Christmas Elves, a retailer specialising in all things festive for Christmas, Halloween, and Easter, will top up all gift cards purchased from now until 1 July 2021 with 10% extra value.

Christmas Elves Group gift cards are the perfect present for any occasion. With them, holiday enthusiasts can shop online or in-store for exactly what they need. Best of all, these gift cards never expire, so their value can be held in reserve when brands such as Disney, Jim Shore, Bethany Lowe, Mark Roberts, and more issue new catalogues filled with special collectables, decorations, and ornaments.

In 2020, Christmas Elves enjoyed one of its most successful holiday seasons despite a year of lockdowns and uncertainty. Jason McIntyre, CEO of the Christmas Elves Group, explained, "Our customers embraced holiday decorating like never before in 2020. Now, with so much to celebrate—including Christmas in July—we wanted to give back to our customers. When we considered what their 'perfect present' would be, the answer was obvious: more to spend with us on the things that brighten their favourite holidays."
