

Author of Healing Leadership Says Leaders Are Healers

And the First Step is to Heal Ourselves

BRANCHVILLE, NJ, UNITED STATES, April 14, 2021 /EINPresswire.com/ -- In her new book, [Healing Leadership](#): How to Lead, Love, and Thrive in Business and Life, award-winning international transformational speaker and leadership coach Ginny A. Baro shares innovative leadership strategies for navigating change successfully.

Dr. Baro reports that a new leadership style is emerging in response to current global crises. Throughout this book, she explores the secrets of healing leadership and recommends high-performance habits for improving self-leadership and developing a growth mindset and resilience.

Healing Leadership book

After conducting a field study interviewing forty-one diverse industry experts showcased in the book, she reveals twenty-one distinct critical leadership skills and qualities leaders require to overcome challenges and thrive in this challenging environment.

“

A must read for anyone seeking to lead with authenticity and higher purpose.”

Jill Johnson, CEO at Institute for Entrepreneurial Leadership

Dr. Baro writes, “Each of us is being called upon to become part of the healing leadership around the globe... The 2020 pandemic and our new way of working and living highlight the importance of empathetic leadership that values and embraces a human-centric approach where people’s well-being is at the forefront of all business imperatives and ideals.”

Baro’s book also provides expert advice on how to develop,

mentor, coach, and retain talent; microsteps and resources to awaken your strengths, contribute to others and skyrocket your career; and strategies for personal development to unleash your full potential.
