

Northern Productions Nabs Elise Luthman of “Do Not Reply” for Lead Role in New Horror Thriller: “DEATH LINK”

Producers will soon release DEATH LINK in 2021.

LOS ANGELES, CALIFORNIA, USA, April 13, 2021 /EINPresswire.com/ -- Dread Central recently described “Death Link” (previously titled “Linked”) in this article: “White Privilege, Racism & Dangerous Social Media: Life Imitates Art In New Horror Film LINKED” in July of 2020.

“The film (written by Duncan Forester) has been described as a cross between I Know What You Did Last Summer and Get Out. A group of privileged popular high school students commits a hate crime against Wayne, an LGBTQ student of color. They broadcast his humiliation on a major social media app for the entire world to see, driving Wayne to a mental institution. A couple of years later, they are being killed off one by one, begging the question, how far are you willing to go for likes and followers?”
Josh Millican @ Dread Central.

Producers include Elizabeth Blake Thomas, David Lipper, Tina Sutkanat and Kipp Tribble. The Director is David Lipper and the Writers are Dustin Dinoff and Duncan Forster. David Lipper is Known for Reboot Camp (2020), Frequency (2017), Full House (1994-1995) and Dante's Peak (1997).

Elise Luthman is no stranger to the horror thriller genre and brings her talents to the role of “Julie” in “Death Link”. Pamela Fisher at A3 Artists recently spoke with David Lipper. “...He and his main editor are singing your praises. He said your work is outstanding and you shine like a star, and they are talking about other upcoming projects... They will soon release an official trailer for the public.”

Luthman recently starred in the thriller: “Do Not Reply”. Her performance was described by a

recent Awards Radar article.

"The best acting in the movie comes from The Politician's Elise Luthman who portrays Heather, who is one of the girls held captive. Her performance is seasoned, not overly dramatic, and makes viewers believe she has been held hostage for three years. A scene involving cake mix makes us empathize with Heather in the way Luthman acts and delivers her lines." Awards Radar

Her break out role as "Becky Lane" in "Dead Night" captured the hearts of viewers as she struggled to stay alive with impossible supernatural circumstances. A recent article in Cryptic Rock describes Elise: "Credit where credit is due:... of the teenagers, it is Luthman (Becky) who is given the most to work with, and she does a superb job of being a convincing, wide-eyed, sweet-spoken teen who loves her grandma, and is willing to run for her life." Cryptic Rock

DEATH LINK also stars Adam Garcia (Murder On The Orient Express, Coyote Ugly) and David Lipper (Frequency, Full/Fuller House), Jessica Belkin (Reboot Camp, American Horror Story), Riker Lynch (Glee, Dancing With The Stars), Matt Rife (After Masks, Wild N Out), Isabella Blake-Thomas (Secret Society of 2nd Born Royals, Shameless) Alli Simpson (Filthy Rich and Homeless, Hacking High School) and Steven M. Clark (Poz Roz).
