CONSULTING GROUP adds Mr. Paul Strasser to Advisory Board

Mr. Strasser has the proven expertise in Federal Government contracting and executive accomplishments. We are very excited to receive his mentorship and look forward to business growth.”

Sastry Dhara, President/CEO

Dhara Consulting Group, a Federal IT services and solutions company delivering secure, innovative technology, and information management solutions to the US Federal Government customers, announced that Paul Strasser has joined them as strategic Advisor and as part of their Advisory Board (AB).

Mr. Strasser is currently President of Govcon Growth Advisors LLC (GGA) providing consulting services to the US Federal Government Contractor community.

Prior to founding GovCon Growth Advisors, [Mr. Strasser was the Chief Executive Officer \(CEO\)](#) of Brilliant Corporation. During his two-year tenure with Brilliant, the company grew revenue organically, three times, to over \$100M. Strasser joined Brilliant as President in 2019 after leading Data Systems Analysts' (DSA's) Information Management Solutions Group as Executive Vice President. At DSA, he also served as President and CEO of Project Performance Company, LLC (PPC), a wholly owned subsidiary of Data Systems Analysts (DSA), following the acquisition of PPC by DSA in 2017. Strasser, working with FedCap Partners, led the sale of PPC to DSA. Prior to DSA, Strasser served as President and Chief Executive Officer of PPC, a twenty-five-year-old, IT Solutions company. There he successfully led PPC to growth in high-end Information Technology (IT) solutions prior to the sale to DSA in 2017.

Mr. Strasser was also the Senior Vice President at Engility Corporation (NYSE: EGL) following the acquisition of Dynamics Research Corporation (NASDAQ: DRCO) in January 2014. As SVP at DRC, he initially led Corporate Strategic Development and later transitioned into operations focused on cyber security, science and technology, healthcare, financial regulatory reform, homeland

security and ISR. He supported customers across the Federal Government including Civilian Agencies, Department of Defense, and the Intelligence Community.

His prior 28 years in technical and senior management positions included being the Chief Operating Officer at Pragmatics (2004-2010), VP for Titan Corporation and legacy companies (1994-2004), and software and systems engineer at various companies including Lockheed Missiles and Space.

Strasser has a Bachelor of Science degree in Meteorology with minors in Astronomy and Marine Sciences. He earned a graduate certificate in Information Systems Management from the University of Southern California.

Active in several Industry Associations, including AFCEA and IAC, he currently serves on the ACT-IAC Executive Committee as Past Chair having been Chair in 2019/2020. He has served on the Executive Committee for over six years and in 2017 served as Vice Chair for Finance. Previously, he served on the boards at GEIA (as Vice Chairman), ITAA, and TechAmerica, where his board service including the audit and finance committees.

In 2013 and 2020, Mr. Strasser was honored to receive a Federal 100 Award for work in Information Sharing supporting the Department of Homeland Security (DHS) and for his work supporting government-wide initiatives at ACT-IAC, respectively.
