“

We are honored to receive this award from such a renowned international and impartial group of beer experts. We will continue in our mission to brew high-quality non-alcoholic craft beer.”

Philip Brandes

"We are honored to receive this award by such a renowned international and impartial group of beer experts," said Philip Brandes, Founder of Bravus Brewing Company. "We will continue in our mission to brew high-quality craft beer for those that are seeking non-alcoholic alternatives."

Globally, the non-alcoholic beer market is projected to grow from \$17.5B to \$29 billion in sales by 2026, according to Global Market Insights. This growth is being driven by increased consumer spending on beverages along with consumer's tastes shifting to better-for-you products.

Founded in 2015, Bravus Brewing Company is North America's first brewery dedicated to producing non-alcoholic craft beer. Thanks to a proprietary brewing process, award-winning Bravus can create craft beer styles that taste exactly like their alcoholic counterparts. Crafted in Southern California, Bravus is a healthier alternative offering a wide variety of flavors and bold tastes to satisfy every beer lover. Its core offering includes a West Coast-inspired IPA, Oatmeal Stout, Amber Ale, White Ale, and Raspberry Gose. With only 100 calories for a 12-ounce bottle, Bravus is available nationwide at select locations and direct through its online store at www.bravus.com.
