NEW YORK, NEW YORK, MANHATTAN, April 15, 2021 /EINPresswire.com/ -- Cambridge Wilkinson has closed a \$300MM Credit Facility for a Specialty Finance client that is growing rapidly in the Asset Management and Alternative Investments worlds. Our client was attracted not only to the competitive rate on this facility, but also the structure which was designed to grow with the company as they grow- with an incredible amount of flexibility embedded; says Rob Bolandian, Partner and Global Head of Investment Banking.

Cambridge Wilkinson is deep in the Specialty Finance industry and in the equity and credit space. We are happy that we are able bring our clients creative facilities that are designed to meet their specific needs, and not just offer rigid, pre-designed, off the shelf "products", says Bolandian.
