

Edinburgh based Studio One Furniture Launches New Website to Provide Online Shopping to Customers in the UK

Studio One Furniture expands its services to provide online shopping for its customers in response to the Covid 19 Lockdowns.

EDINBURGH, UNITED KINGDOM, April 15, 2021 /EINPresswire.com/ -- [Studio One Furniture](#) is pleased to announce the expansion of its services into the online market. Our recently updated website provides customers the ability to browse our complete catalog of products from the comfort of their home and allows you to purchase items utilising either delivery or in-store collection.

Throughout the pandemic, restrictions and lockdowns have limited the ability of consumers to engage in in-person shopping. This has disproportionately affected small businesses like Studio One Furniture causing sales to slow, and in some cases causing businesses to close altogether.

In the face of these challenges, Director David Horn saw an opportunity to take his services online stating "We have used the downtime given to us by the most recent lockdown to migrate our old website, which only displayed our catalog, onto a new platform which creates a user-friendly buying experience."

The website has undergone a complete overhaul centered on exploration. Customers can now browse our entire catalog of Furniture, Lighting fixtures, Clocks, Textiles, Rugs, Hanging Racks,

Mirrors, and Home Accessories on our website. New categorisation options allow visitors to find the perfect piece for their home by range, by object, or by room. It's never been easier to find that hidden gem at Studio One Furniture.

Our sleek 4 step payment portal makes online purchases quick and easy.

Studio One Furniture now provides shipping for all products to the greater Edinburgh area and provides shipping

on a larger variety of products to the entire United Kingdom. Customers may also use Click & Collect option if they wish to pick up their purchase from our store.

Studio One Furniture On Site Location

Studio One Furniture follows all current safety regulations provided the UK and Scottish

Governments. Customers are asked to follow all safety regulations when visiting our on-site locations.

We have used the downtime given to us by the most recent lockdown to migrate our old website, which only displayed our catalog, onto a new platform which creates a user-friendly buying experience."
