About Crypto Asset Rating Inc

Crypto Asset Rating Inc is a USA-based FinTech company driven to plug the gaps in the crypto market and bridge the governance institutions with the existing and new thought leaders of the crypto industry.

Crypto Asset Rating Inc, An Independent Structured Rating Agency believes in solving the FinTech Industry key challenges. Crypto Asset Rating Platform (CARP) comprehensively rates crypto assets for Institutional and Retail Clients. The Company developed a custom rating algorithm to conduct an exhaustive multi-layered evaluation covering four distinct risk buckets—business, financial, legal, and technology.

Crypto Asset Rating Inc's product network includes one of the transcendent and innovative products in the crypto industry - Tokenization Asset Platform (TAP) is a Software as a Service (SaaS) tokenization platform that offers the process of creating, issuing, managing, and converting an asset to digital securities. TAP does this by leveraging tokenization technology to fractionalize ownership of Equities, Bonds, Shares, and Commercial/Residential Real Estate. Issuers and private investors have early liquidity options through the issuance and tradability of asset-backed digital securities on the Tokenization Asset Platform.

Crypto Business World - The Company's quality content platform for all updates in the crypto market. It integrates in-house and external content to deliver subject matter across all platforms—news and articles, videos and podcasts, analysis reports, and press releases.

Keeping the FinTech world's prospects in the upcoming years, Crypto Asset Rating Inc has isolated planning to develop other fintech products and services like Crypto Index, Exchange rating, Sovereign Rating, ETF rating: that procures revenue potential.
