HOUSTON, TEXAS, UNITED STATES, April 17, 2021  
/EINPresswire.com/ -- “Smarter Divorce Options Workshop” with Denise French and Denise Khoury

Denise French of Divorce Strategies Group is partnering with Denise Khoury of Guajardo Khoury Law to offer an educational workshop to explain the different options available for divorcing couples. The Smarter Divorce Options Workshop provides information on divorce options other than a litigated courtroom divorce.

In this workshop, both Denise French and Denise Khoury will help individuals learn about the different options for the divorce process. Topics of discussion will be choosing the best divorce options for the family, mediation versus litigation, and ways to save financial and emotional resources during and after divorce.

“We want to offer smarter divorce options for families going through divorce,” says Denise French. “Too often, families are torn apart in the court system. There are other options available enabling families to navigate through divorce in a private manner without significant loss of resources while also promoting an effective co-parent relationship after divorce.”

The Smarter Divorce Options Workshop is a free, 1-hour in person event happening the 2nd Tuesday of every month at 5pm CST in The Woodlands and the 2nd Wednesday of every month at 12noon CST in Houston in the Galleria area. We will offer concurrent online sessions upon request via zoom.

The Smarter Divorce Options Workshops will begin May 11th in The Woodlands at 5:00pm CST and June 9th in Houston at 12:00 Noon CST. For more information, visit Divorce Strategies Group.
