

Thanking a Nurse is the Simplest Way to Show Your Support

A collectable token speaks volumes and offers the most economical and exclusive answer to giving from St. Basil the Great, the Patron Saint of Gratitude.

PALM COAST, FLORIDA, UNITED STATES, April 17, 2021 /EINPresswire.com/ -- Nurses Week is celebrated every year from May 6th to May 12th to bring deserved attention to the incredible nurses, registered nurses, nurse practitioners, LPNs, and many others in the medical community. Those brave individuals that have devoted their lives to the health and wellbeing of others, should be in our thoughts and prayers every day, especially during this dreadful period in our Nation's history.

Noted psychotherapist Niro Feliciano, of Wilton, Connecticut, stated "Some people light up when they are given words of support, written cards, or compliments. For others, a small gift like flowers, chocolate, or something thoughtful that says 'I know you' communicates love."

For many more, a [collectable token speaks volumes](#) and offers the most economical and exclusive answer to giving from St. Basil the Great, the Patron Saint of Gratitude. This unique gift is a special Gold Coin representing a 1600 year-old tradition, and is available [exclusively from Patmos Press](#), sent with an historic explanation of the Epiphany in a shiny gold foil envelope [for less than \\$20](#).

We all need periodic inspiration, but the medical community above all others, are the true Heroes of this century, who desperately need to replenish their dedication to their careers. Reading and watching numerous news stories about real experiences, offer valuable insights about the medical practice and its associated sacrifices.
