Adjacent to the main building will be the first wingsuit windtunnel in the United States, which will allow visitors to experience total body flight. The location is 8526 West Irlo Bronson Memorial Highway, Kissimmee, Florida 34747 (Note: The lot is immediately east of Manny's Chophouse in Kissimmee.)

Members of the International SkHall of Fame will be present and available for interviews. Hall of Fame members include such notables as [Colonel Joe Kittinger](#) (USAF), who set a world record for the highest skydive from a height greater than 19 miles—a record that stood for more than 50 years.

"Skydiving and parachuting have thrived in Florida for generations and drawn skydiving enthusiasts from around the world throughout that time," notes Curt Curtis, President/CEO of the Museum. "There is a higher concentration of skydiving activity in Central Florida than any other place in the world—ten skydiving centers within proximity to the Museum location."

The schedule of events is as follows:

11:00 AM Opening ceremonies

11:30 AM Skydiving and  
parachuting demonstrations

11:45 AM Remarks by national,  
regional, and local dignitaries

Videographers and photographers will capture the action from the air and provide footage and photos to journalists who request them. In addition, a 12-minute [video of key information](#) about the Museum and event is available now. Featuring answers to questions such as “Why is the International Skydiving Museum & Hall of Fame needed?”, a summary with time stamps will be provided upon request.
