

SmartMouth Oral Health Laboratories Announces the Launch of Two New Sizes of Clinical DDS Oral Rinse

10 oz and 32 oz Sizes of the Rinse Are Now Available For Purchase

ST. LOUIS, MISSOURI, USA, April 19, 2021 /EINPresswire.com/ -- Disruptive Oral Care Company [SmartMouth](https://www.smartmouth.com) Oral Health Laboratories announces the addition of two new products to their quickly expanding oral health care assortment. SmartMouth is the ONLY mouthwash that is scientifically proven to prevent bad breath for 24 hours with just two rinses a day. The new products contain the same scientifically proven and dentist recommended Clinical DDS formula. SmartMouth Clinical DDS is the ONLY mouthwash that stops bad breath AND provides prescription strength gingivitis and bleeding gums protection without a prescription.

THE ONLY MOUTHWASH THAT GUARANTEES 24 HOURS OF FRESH BREATH WITH TWICE DAILY USE

SmartMouth Clinical DDS Activated Oral Rinse combines zinc ion technology with maximum anti-plaque and anti-gingivitis benefits to help prevent bleeding gums. This patented solution promotes optimal oral health, providing a healthy state of mouth. SmartMouth Clinical DDS provides 24 hours of fresh breath when used twice daily. Rinse once in the morning for fresh breath all day, and once before bed and never wake up with morning breath.

The company received an abundance of requests from their customers who asked for the same great product but in new sizes. Some wanted larger and some wanted smaller, so they satisfied everyone by launching both. [SmartMouth Oral Health Laboratories](https://www.smartmouth.com) prides itself on using their customer feedback to create new oral care products to add to their line.

"We are excited to announce the two new sizes of Clinical DDS mouthwash," says James Scheetz,

CEO of SmartMouth Oral Health Laboratories. "Dollar General, Target and Walgreens are valued partners, integral to the launch of the two new sizes. We have no doubt that both sizes will be well received by each of the retailer's customers."

The new 10oz SmartMouth Clinical DDS can now be purchased in Dollar General stores across the nation. The 32oz size of the product is now available in Target and Walgreens stores nationwide. SmartMouth 16oz Clinical DDS along with the Original and Dry Mouth rinses can be purchased at over 60,000 retail locations across the nation or online at shop.smartmouth.com.
