

World-Renowned Workplace Culture Experts Host Virtual “Banish Burnout Summit” May 5-6, 2021.

70-80% of the working population reported to be showing signs of burnout.

TORONTO, ON, CANADA, April 19, 2021 /EINPresswire.com/ -- There is a looming crisis emerging in North America as a result of the toll that the COVID-19 pandemic has taken on the workforce. As we pass the one-year mark of a historic shift in working habits and conditions, 70-80% of the working population is reported to be showing signs of burnout. The time is now for leaders to step up and take responsibility for their people, before it is too late.□

On May 5th and 6th, a group of concerned business and thought leaders will gather to share expert knowledge and insight with people who have the desire to make a change in their organizations from the inside out with the goal of “banishing burnout.”

Presenters include:
