

Lingerie Fighting Championships Target Released WWE Superstars

Controversial MMA league to offer Mickie James, Billie Kay and Peyton Royce contracts

LAS VEGAS, NEVADA, USA, April 20, 2021 /EINPresswire.com/ -- [Lingerie Fighting Championships](#) (LFC) has announced they will be submitting contract offers to three recently released [WWE](#) superstars Mickie James, Billie Kay & Peyton Royce.

“We would be delighted to have these amazing fighters join our promotion,” LFC’s Chief Executive Officer Shaun Donnelly said.

Lingerie Fighting Championships is the world's hottest MMA

Donnelly acknowledges the controversial MMA league can't afford to pay WWE money but hopes they can come close with a mix of purse, stock options and pay-per-view royalties.

“

We would be delighted to have these amazing fighters join our promotion.”

Shaun Donnelly, CEO

“At LFC31 last month we gave each fighter 30% of every pay-per-view their fans purchased and some of the fighters more than tripled their purse,” Donnelly says. “With their WWE followings, I’m confident James, Kay and Royce would

do very well.”

Of course the trio would have to agree to fight in the LFC’s signature lingerie but Donnelly doesn’t see that as an obstacle, saying, “Pro-wrestlers are some of the most courageous women in the world. And when you really think about it our fighters wear more clothing than male MMA fighters do.”

LFC is planning at least 4 more events this season and is hopeful he can add at least one of the trio to the line-up although he admits he doesn’t have access to their management and is hoping they will hear about the offer and contact him. “We would welcome the opportunity to discuss

this with them and show them how serious we are.”

Unlike WWE, LFC has been very loyal to its fighters and still have some from the very first event including Jenevieve ‘The Sorceress’ Hexxx who fought at LFC1 and LFC31.
