Wyith Institute™ awards US Military Lifer, Eduardo Cuyos its first Col. Brenner Military Scholarship

SAN JUAN, PUERTO RICO, UNITED STATES, April 20, 2021

/EINPresswire.com/ -- Bankcoin Reserve (BCR) digital asset company has moved its primary business office from sunny Florida to the tropical Commonwealth of Puerto Rico to accompany the [Wyith Institute™](#) Global Headquarters Office.

Whether on the mainland or in balmy San Juan, Bankcoin Reserve (BCR) continues to work in the area where it does the most good - humanitarian projects.

Our great news about education is that the Wyith Institute™ has awarded its first "Col. Brenner Military Scholarship" to an extremely worthy student (who has also often worn the hat of a professor)

He's a first-rate Forensic Accountant in the United States Military. We are very proud to announce that Eduardo Cuyos currently with the US Army has won this academic scholarship.

Eduardo Cuyos has enjoyed a great career in Military Accounting, Federal Investigations, Forensic Accounting and Auditing.

A small new company with a great head start - they can build the future!

He is currently assigned to the Madigan Army Medical Center in Lakewood, Washington. His Professional Summary notes begin with the clever line... "Figures don't lie, but liars figure". Cuyos is a Senior Auditor at Madigan. His work focuses on large-scale forensic examinations. He became Chief of the IRAC Department in 2017 where he has continued to lead that department.

The Wyith Institute™ was offering online classes long before online learning became the standard as a result of the global pandemic. The Wyith Institute™ offers bachelors, masters, Ph.D.'s, and MBAs payable with 7 different cryptocurrencies (and or cash) to pay for tuition.

Cryptocurrencies will be converted to BCR@W. Incidentals are still only payable to the universities in cash.

The Wyith Institute™ accepts the following cryptocurrencies: BTC, BCR, BCR@W, ETH, ETH CLASSIC, LITECOIN, WAVES, and or any combination of those coins as well as CASH will be accepted but it will be BCR@W that will be used to settle tuition invoices for any of our accredited degrees at

Wyith.edu, <https://bankcoinreserve.llc/education/>

All courses are accredited and the entire program can be learned online from the comfort of your home or office. Any student from any country may enroll and graduate with a legitimately accredited graduate degree from either the Wesleyan University in the Philippines or the Anglia Ruskin University from Cambridge, England since the Wyith Institute™ is an additional (more affordable) conduit for those universities.

In the area of AUTOMOBILES, our automobile program designed for the Indigenous unbanked of Mexico, the Gubernatura Nacional Indigena (GNI) recognize that allowing Canadians and Americans to drive or fly to Mexico City to buy a car there and drive it back home will financially, ultimately help the Indigenous Nation. Cars range in the price of \$10,000 to \$30,000 USD depending on the car's features. Three well-established independent banks (Banorte, BBVA, and BancoAzteca) manage all proceeds for that project.
