

Registration is Now Open for SMi Group's 6th Annual UAV Technology Conference

SMi Group Reports: Registration and the agenda are now available for the highly anticipated UAV Technology 2021 conference this coming September.

LONDON, ENGLAND, UNITED KINGDOM, April 20, 2021

[/EINPresswire.com/](https://www.einpresswire.com/) -- Building on the huge success of its five previous years, SMi Group are delighted to announce the 6th Annual [UAV Technology](https://www.uav-technology.org/) Conference, which will return to London on 27th – 28th September 2021.

This high-level international meeting will address the utilisation of emerging technologies supporting and enabling UAS capabilities, policy development, operator training, safety, and

certification regulation, ISR capabilities, developments in counter-UAV/UAS and much more.

Interested parties can register by 28th May to save £200 at www.uav-technology.org/pr1ein. This year's UAV Technology Conference will have a highly anticipated speaker line-up which will include leading international air forces officers, program managers and technical scientists, who will be delving into the latest UAV technologies, challenges and requirements.

A preview of the 2021 speaker line-up is below:

1. Brigadier John Collyer, Head Capability, Strategy and Development and HoC Information Manoeuvre, British Army
2. Brigadier General Houston Cantwell, Commander, NATO Alliance Ground Surveillance Force
3. Colonel Gavin Rundle, Commander Watchkeeper Force, Joint Helicopter Command, British Army
