

MegaplanIT Announces FedRAMP 3PAO Accreditation

MegaplanIT achieved its Third Party Assessment Organization (3PAO) accreditation to perform security assessments for Cloud Service Providers (CSPs).

SCOTTSDALE, ARIZONA, UNITED STATES, April 22, 2021
/EINPresswire.com/ -- MegaplanIT Holdings, LLC a cybersecurity and compliance firm, achieved its Third Party Assessment Organization (3PAO) accreditation to perform security assessments for Cloud Service Providers (CSPs).

The 3PAO accreditation recognizes MegaplanIT's competencies through rigorous testing and evaluation by the American Association for Laboratory Accreditation (A2LA). Organizations seeking to obtain Federal Risk and Authorization Management Program (FedRAMP) authorization for cloud service offerings and products may contact MegaplanIT to independently assess their cloud services or provide security advisory services. The FedRAMP program supports secure cloud service adoption and FedRAMP requires that CSPs engage FedRAMP approved third-party assessors to ensure that the cloud service or product is compliant with the FedRAMP requirements. FedRAMP follows a standardized approach to performing security assessments, authorizations, and continuous monitoring of cloud products and services.
