Aliens Clowns and Geeks tells the story of an out-of-work actor who stumbles upon a key to the universe and is drawn into an intergalactic war between clowns and aliens. In addition to the great Verne Troyer (Austin Powers, The Love Guru) the film stars Bodhi Elfman, (Criminal Minds, Enemy of the State, Collateral), Rebecca Forsythe (Replace, Law & Order: Special Victims Unit), Angeline-Rose Troy (Sallywood, InSight), Steve Agee (New Girl, Guardians of the Galaxy Vol. 2), French Stewart (3rd Rock From The Sun, Stargate) Nic Novicki (The Sopranos, Saturday Night Live) and George Wendt (Cheers, Fletch). Additionally, there is a "million dollar" lavish musical score by Richard's brother Danny Elfman, who has been referred to as "Hollywood's hottest film composer, along with "Hollywood's cartoon maestro" Ego Plum.

Forbidden Zone starring Herve Villechaize, Susan Tyrrell, Marie-Pascale Elfman, Viva and the Kipper Kids is a fantastical musical comedy about a family whose basement is connected to the

Sixth Dimension. The film is an extension of the musical/theatrical troupe, Mystic Knights of the Oingo Boingo (later Oingo Boingo), founded by Richard and Danny Elfman, (who did the score and plays Satan). The Mystic Knights garnered international attention and also led to a lifelong long friendship between Danny Elfman and director Tim Burton, who was a fan. The two have partnered on many films including the Batman franchise.

Dress up in full costume, come in your pajamas or anything in between and journey to intergalactic galaxies and new dimensions all from the comfort and safety of your car. Richard Elfman will be on hand to sign posters and do a Q&A. For additional screenings and tickets visit <https://regencymovies.com/dateDetail.php?theaterId=49&date=2021-05-15>
