Here is background on this release. The lay person in Cameron County may not understand their legal rights. The person may be in a car accident, a trucking accident, or perhaps a slip and fall accident in and around Harlingen Texas. Yes, Harlingen is a wonderful community, with wonderful businesses and people. But accidents do happen and in some cases they may be due to negligence or other issues. The lay person may suffer an injury, reach out to the vendor's insurance company, and come away dissatisfied. The insurance companies, after all, are highly motivated to discourage people from making claims and they have professional attorneys and staff who work hard to discourage the average person from getting satisfaction. In some cases, the person may not be a native English speaker. Finding Spanish-language content that focuses on Harlingen is not easy. For this reason, Harlingen residents are well served to reach out to a personal injury lawyer who speaks Spanish for possible representation. Only a qualified lawyer can assess the facts and the law and evaluate the best course of action. Persons who want to learn more about personal injury legal issues including a law firm that speaks Spanish can visit the firm's page at <https://jvlawfirm.net/practice-areas/personal-injury/> or reach out for a no obligation, confidential consultation with a personal injury lawyer. Those in and around McAllen Texas can visit the firm's sister website at <http://jvlawfirmcallen.com/>.
