HOUSTON, TEXAS, UNITED STATES, April 22, 2021 /EINPresswire.com/ -- Do you have difficulty trusting some people? How about God? When our trust in humanity wanes, these feelings can impact our faith.

“

There are many of us who struggle with trusting others. One of the reasons for this is that often, the people we trusted to watch over and care for us, failed us.”

“There are many of us who struggle with trusting others. One of the reasons for this is that often, the people we trusted to watch over and care for us, failed us,” says international Bible teacher [Joan E. Murray](#). “Their abandonment left deep wounds and scars in our souls. As a result, some of us believe that just like these people, God cannot be trusted.”

In her inspirational new book, [You Can TRUST Him: Anchoring Your Hope in God During Difficult Times](#), Murray aims to help readers rediscover their confidence in God and reconnect with their faith through uplifting stories of modern day men and women who, in the midst of devastating hardship, chose to trust God.

Woven throughout are explorations of Biblical figures who were unsure they could survive their painful struggles: Hagar, Jeremiah, Caleb, John the Baptist, Mary Magdalene and Leah, to name a few. The result is a powerful juxtaposition of old and new reminders of God's presence in our lives, and deep truths about God's love, compassion and care for each of His children.

You Can TRUST Him brings the Bible to life and seeks to help us trust His Word, trust His timing and trust that He will help us navigate through the painful seasons of life.
